*Office Memorandum* • UNITED STATES GOVERNMENT

TO : C/Plans and Policy Staff

FROM : C/Junior Officer Training Program

SUBJECT: Weekly Activity Report # 7  
9 - 15 February 1955

DATE: 16 February 1955

A. SIGNIFICANT ITEMS

1. Official word has just been received that the Air Force has promulgated a regulation, now in process of being printed, to the effect that all candidates for the Officer Candidate School Program must have been on active duty for a year before being assigned to OCS. While this will not affect JOT's now in the Program, it will have profound effect on those who may enter it at a later date, in that they will not get their commissions until after they have been in the Air Force for at least eighteen months and will not normally report for duty at CIA until thirty months after enlistment. Conceivably this new regulation can have a very serious effect on the recruitment of draft-eligible OCS candidates. The problems involved are being studied and a full report will be made in the near future.

B. NORMAL ACTIVITIES

5. C/JOTP briefed TLO's of the DDP on the JOT Program as a part of the DDP Tour of the Main Campus (Headquarters).
